

Replacement, Reimbursement and Where to Purchase

We go over the recommended replacement protocol.

Written By: Patrick Tessier

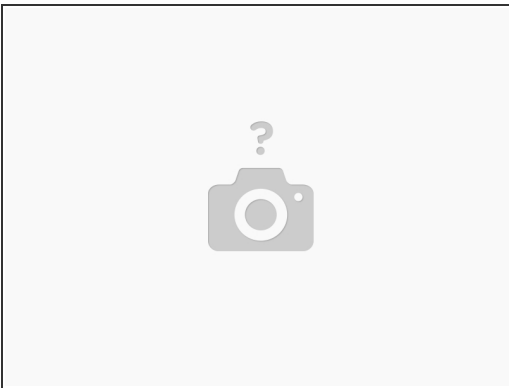

Step 1 — Replacement

- The nasal pillows should be replaced at LEAST every three months
- The full mask replacement should be every three months

Step 2 — Reimbursement

- Reimbursement varies per region, but is covered across the US, just as any other nasal pillow mask.
- The following are the HCPCS codes:
 - A7034 - Mask
 - A7035 - Upper mouth piece on myTAP PAP
 - A7033 - Nasal Pillow Pair

Step 3 — Where to Purchase

- Airway Management only sells to clinicians
- Patients can purchase from several suppliers, including:
 - CPAP.com
 - Verushealthcare.com
 - Apria
 - Sunset Healthcare
 - VGM
 - PPM
