Lab Technician  Dentist/Doctor  Other: \_\_\_\_\_

**If owned by a dentist/doctor, where is the lab located?**

- In the dental/medical office  
 In the same building, but not in the same office (or a completely different suite)  
 In a completely different location  
 Other (please explain): \_\_\_\_\_

**Are the technicians at the lab familiar with FDA guidelines for medical devices?**

Yes  No

**Is the lab registered with the FDA?**

Yes FDA Registration #: \_\_\_\_\_  No

**Are you interested in becoming a Manufacturing Lab or Distributing Lab (also known as TAP Lab)?**

Manufacturer  Distributor

*What is the difference?* Manufacturing labs fabricate the devices in house while Distributing Labs send their TAP cases to Airway Labs for fabrication. Manufacturing & Distributing Labs both require a completed lab information form and signed licensing agreement to begin the process. Manufacturing Labs will also require proof of FDA registration & a completed and approved evaluation appliance.
