

AIRWAY MANAGEMENT IS PROUD TO PARTNER WITH COMPREHENSIVE SLEEP DENTISTRY MANAGEMENT

Comprehensive Sleep Dentistry Management (CSDM) is a billing and home sleep test company that has mastered the dental sleep medicine business model and is ready to transform your dental sleep practice into a true profit center. Your office will no longer need to manage the Sleep Testing, Diagnosis or InNetwork insurance coverage component, saving you time, aggravation and money.

Program Benefits

- Eliminate insurance hassle for your patients and team
- Effectively and profitably treat more patients suffering from OSA
- Zero investment from your practice
- \$100 discount on every **TAP** provided through CSDM (additional net profit)
- Free **myTAP**, **TAP** demo model, and patient brochures (\$350 value)

How It Works

Other CSDM Program Benefits

- Home Sleep Test (HST)
- Dental and Staff Education
- Ongoing Patient Education
